Voices of Young Female Artists in Turkey

We welcome you to the Swedish Research Institute in Istanbul for a new session of Today Talks. On this occasion we would like to talk about voices of the young female artists in Turkey.

Previously gendered violence and patriarchal culture in Turkey with regards to women's lives and politics had been discussed. This time we have set the agenda on the opportunities unraveling for young women in Turkey.

Date: November 27, 2014
Join us for coffe at 18:45
Program begins at 19:00

Address: Istiklal Caddesi 247
Tünel - Istanbul
