Current and previous position/affiliation	Research Fellow, Swedish Institute at Athens Deputy Director, Swedish Institute at Athens, 2006-2010 Research Fellow, Swedish Research Institute in Istanbul, 2005 Research Fellow, Lund University, 2005-2006
Areas of interest (max 100 words)	My research focuses on Greek religion and mythology. Within this field I work mostly with epigraphic sources and specialize in dedicatory habits and communication with the gods. I am furthermore interested in the image of antiquity as found in popular culture, especially film and literature.
Current research project (100 words)	I am currently conducting studies in the use of epithets and the development of dedicatory language in the Hellenistic-Roman periods. I furthermore explore the consequences of anthropomorphic gods as regards communication mortals-immortals.
