

# The Swedish Research Institute in Istanbul

## Research Grant

The board of the SWEDISH RESEARCH INSTITUTE IN ISTANBUL hereby announces a fellowship grant of **15000 Swedish kronas** for the **fall term of 2017**.

The grant is awarded to Candidate or Master students in Turkish languages or Turkology at Swedish or Nordic universities, who are preparing or working on a thesis. It is intended to cover the costs for travelling to Turkey and spend at least one month at the Swedish Research Institute in Istanbul during the fall term of 2017. During this period the grant holder disposes over a guest room, free of cost, at the institute, which is located within the compound of the Swedish consulate general in Istanbul.

The grant must be used during the fall semester and will otherwise be refunded. The grant holder should leave a written report within three months after the fellowship period has ended, describing the work that has been done, the results it has brought and its importance for his or her studies. Applicants that have received an earlier grant must have handed in their reports in due time before they re-apply. Applicants that have not held any grant before are given priority.

The application must include a list of grades of accomplished tests and courses, a certificate from the supervisor, and a working plan and time specification of the stay in Turkey.

The application should be sent as **one** file (word or pdf) to the board of the Swedish Research Institute in Istanbul (sfii@swipnet.se) **before April 10, 2017**. Incomplete applications will not be considered for grants. Grant holders will be informed in week 23. For further information, ask the board's secretary, dr. Ragnar Hedlund (ragnar.hedlund@gustavianum.uu.se).
