

# SRII Network of Researchers

Name, title	Patrik Aspers, Professor
Contact details (incl. links to personal websites)	<a href="mailto:patrik.aspers@soc.uu.se">patrik.aspers@soc.uu.se</a>
Current and previous position/affiliation	Professor, Department of Sociology, Uppsala University Professor, Department of Sociology, Stockholm University Researcher, SCORE (Stockholm Centre for Organizational Research), Stockholm University Professor, Fashion management, the Swedish School of Textiles, University of Borås Researcher, Max Planck Institute, Study of Societies, Cologne, Germany Research Fellow, Swedish Research Institute in Istanbul
Areas of interest (max 100 words)	Aspers' research focuses on economic sociology, especially markets, and sociological theory. Empirically he has worked on fashion. Additionally, Aspers' research deals with issues pertaining to basic research. Based on the complex of issues concerning order and being, forms of social interaction are studied with a special focus on coordination. In his research at Score, Aspers has analyzed the constitution and formation of markets, as well as their organization.
Current research project (100 words)	Aspers currently has an EU Starting Grant Project, which will run for five years, starting in 2011. The project deals with coordination through evaluation within and outside the economy.
Keywords (5-10)	Sociology, Fashion, Economy, Coordination, Markets
